

Spring/Summer Announcements

1. First Annual Yard Sale

First Annual Yard Sale will be **May 21, 2011 from 8AM -1PM. Rain date will be May 22, 2011.** To participate in the yard sale just set up tables at the end of your driveway. If the yard_sale is successful we hope to have another in the Fall.

2. Trash Cans and Recycle Bins

There have been several complaints to the Board regarding trash cans and recycle bins. We are asking homeowners NOT to put trash cans or recycle bins out on the curb until 5:00PM on Monday evening, the night before trash pickup and returned to garages by the end of the day on Tuesday. Materials in the recycle bins are blowing all over the community. Please pack any material you may have for recycle in plastic bags or insure it will not blow in the wind.

3. Dog Waste

Home owners who walk their dogs in the community are reminded they are REQUIRED to pick up any waste produced by your pet and dispose of properly as per the Governing Documents.

4. Lawns

Please make sure your grass is properly maintained along with your landscaping as per the Community Governing Documents.

5. Firecrackers

Homeowners are reminded the homes in the community are very close together and NO ONE should be using firecrackers of any kind, ESPECIALLY when the ground is very dry from lack of rain.
